Please tell the judges why your company should win this award:

Please complete this entry form and submit it along with **SIX** further photocopies and **SIX** copies of your latest accounts.

If you are not able to submit your accounts at this stage please supply us with a short explanation. They will definitely be required if you are short-listed to enable the judges to make an accurate assessment.

We welcome any supporting literature and a more detailed submission saying why you think your company should win the Business of the Year Award.

If your entry is supported by other corporate literature please ensure that **SIX** copies of each publication are submitted.
