Please complete this entry form and submit it along with **FOUR** further photocopies and **FOUR** copies of your latest accounts.

If you are not able to submit your accounts at this stage please supply us with a short explanation. They will definitely be required if you are short-listed to enable the judges to make an accurate assessment.

We welcome any supporting literature and a more detailed submission saying why you think your company should win the Business of the Year Award.

If your entry is supported by other corporate literature please ensure that four copies of each publication are submitted.
