BROWN BAG

DUE to its popularity, brown bag coffee shop in Wokingham has recently expanded and had a total refit.

Tucked away in the Plaza (adjacent to Argos) it serves freshly made sandwiches, handmade cakes, freshly grilled paninis and toasties, coffee and cold drinks, including iced smoothies, milk shakes and café frappes.

Everything at brown bag is about freshness, quality and service. They are passionate about the quality of their produce and start work at six o'clock in the morning to ensure all sandwiches are made everyday to be sold only on that day (no use-by date required at the brown bag!).

They also offer corporate deliveries and sandwich platters and already deliver hundreds of sandwiches every day.
