## If you fancy a round of golf try out Puttenham Club

THE clocks have gone forward, spring is in the air and Tiger Woods is about to tee off at Augusta - what better time to think about playing golf?

Puttenham Golf Club is running a special promotion during April when you can book a weekday 18-hole four-ball after 11.30am for only £100 (£25 per person), to include a free bacon roll each before you start.

Just call 01483 810498 and book in (please take the advertisement at the bottom of this page with you on the day).

The golf club will also take

bookings for two or three balls.

If you have ever thought about joining a golf club but wanted to try out the course for free first, then put Saturday, May 17 in your diary, call 01483 810498 and book into the Puttenham Golf Club Open Day - spaces are going fast so don't leave it too late. Activities start at 1.30pm and all ages and abilities are welcome.

For experienced golfers, this is an ideal opportunity to play the picturesque, tree lined 18-hole course and see for yourself what Puttenham has to offer.

For the less experienced, or

complete beginner, the PGA professionals will be running a group 'taster' coaching session on the driving range where you can also have a go on the three-hole Academy Course if you are up to the challenge.

Clubs and balls will be provided for the practice area but make sure you wear suitable clothing - non-slip shoes are essential. All this at no cost and no obligation - just don't forget to book a place.

Puttenham's bar and restaurant will be open on the day, so why not buy a drink and something to eat before you start. The only thing

they ask, as at most golf clubs, is that you don't wear a tracksuit or jeans in the clubhouse.

All membership categories are good value, with special prices for children, reduced fees for those up to the age of 29, and at least a 20% discount on entrance fees for two or more golfers aged 30 or over joining together.

So, if you are considering taking up golf or joining a club, look no further than Puttenham.

Visit [www.puttenhamgolfclub.co.uk](http://www.puttenhamgolfclub.co.uk) or call Gary Simmons, Julie Matthews or Jackie Beveridge on 01483 810498.

## Clever kitchen makeovers

DO you think it is about time to give your kitchen a new look? Well, the good news is you do not have to replace it completely.

You could have a makeover performed by Re-Nu, a family-run business that specialises in renovating kitchens without the high cost, mess and disruption of ripping them out and starting again.

By retaining the units and fitting new, made-to-measure doors from its extensive range, Re-Nu can make a kitchen look like new.

And the work won't cost you the earth or turn your home into a building site.

The makeover is done quickly,

cleanly and efficiently and is completed in a day or two, rather than the one or two weeks required for a total replacement.

If replacing doors does not give you enough of a change, Re-Nu can also fit new worktops, sinks, appliances or extra units which will be tailored to your exact requirement.

The company is very experienced, having made and fitted more than 25,000 doors and literally miles of worktops, using its own fitters not subcontractors.

Re-Nu is running a Special Exhibition with free admission at the Wilfred Noyce Centre, Crown Court, Godalming, between 10am and 4pm on Saturday, April 12.

The exhibition will feature examples of kitchens that have been renewed, lots of sample doors and some of the staff you

can ask advice on. For a survey and quotation please call Freephone 0800 195 8641 or visit [www.re-nukitchens.co.uk](http://www.re-nukitchens.co.uk)

## Get a new life by losing weight the SureSlim way

A HOLIDAY in France was the last straw for me. I was nearly 18st and had high blood pressure and was on medication; my joints ached, I got short of breath just walking around and sweat just poured off me in the heat.

My family and I went to a theme park, and my husband and kids were so excited planning which rides to go on, I used to say I didn't like the rides, but inside I so wanted to join in.

As always, I'd stand at the side looking after the coats and bags

with a smile on my face, pretending I wasn't bothered I couldn't fit in the seats.

I decided that after Christmas I would join SureSlim. I'd seen the adverts in the local paper and gone on the internet and read all about it and how they devise a diet especially for you on the results of a blood test, medical history and food preferences.

On January 11, 2007, I had my first consultation and blood taken.

Two weeks later, I was given my results and diet sheets that my

consultant talked me through. I started my diet the very next day - and within a week I lost an amazing 10lb!

After the first month, I noticed how much energy I had and how much better I felt. As the weeks went by, more people would comment on how well I looked. My hair was shiny, my skin glowing and the weight just dropped off, 10lb or more a month.

After four months, I went to see my doctor. He took my blood pressure and was amazed to see it

was normal. I went back six weeks later and he was happy to take me off my medication.

In the August we went back to France and the theme park, only this time I wasn't the bag lad. The kids were struggling to keep up with me!

I've reached my goal and have lost 10in from my bust, 11in from my waist and I understand how to control my weight. I feel very proud of what I have achieved and my family are so proud of me too. Call Now 01483 511311.

SureSlim Claire Whitehouse.
