COMPETITION RULES

The Ladbrokes Racing Chase runs from 14th November 2008 to 4th April 2009 inclusive. The closing date for entries is Thursday 13th November 2008. All selections must come from the list of 200 horses published. A £1 admission fee will be charged for each set of selections, part of which will go to enhance prize funds. Only National Hunt races in Great Britain and Ireland will count for point scoring purposes. A walkover will not count as a race. TIE: In the event of a tie then the points scored by horse number 1 on your entry will decide the winner. If that is also a tie then horse numbers 2,3,4,5,6 will be compared until the winner is found. If the winning entries are completely identical then a draw will take place to decide the winner. The newspaper accepts no responsibility for entries that fail to run for any reason. Number of horse and name must match otherwise horse number will be judged to be your selection.

All entrants agree to be bound to the rules of the competition as detailed. In the event of a dispute the newspaper's Managing Director's decision is final and no correspondence will be entered into under any circumstance. Employees of this newspaper or Ladbrokes Limited or their families cannot enter this competition. All entrants must be over 18 years of age.
