## Bramley's tandoori delights

CHAMPAN Tandoori Restaurant in Bramley offers dinners an opportunity to relish Indian cuisine in comfortable and relaxed surroundings.

A warm and friendly greeting is guaranteed with service to match.

A Surrey Times advertising representative said: "I could not decide what to eat, there was so much choice and everything

looked so good. The waiter selected a variety of starters and main courses for me to sample."

The menu offers such delights as prawn bhuna puree as a starter, gosht or chicken kata massala, nawabi and chicken stick as a main.

"I sampled some of the mentioned dishes, they were extremely tasty, fresh and beautifully presented.

"The waiter took time to explain what the dishes were and made sure I enjoyed my meal.

"It was good to see a flow of customers collecting take aways. For these, the Champan offers a 10% discount on all orders over £10."

## Full-time mobile beauty technician

NINA Hudson, a former colour technician in a busy Guildford salon, has become a full-time mobile technician offering high quality, fashionable and classic colours, in the comfort of your own home.

Nina has trained with the highly acclaimed Toni & Guy as well as doing courses with Wella and Vidal Sassoon.

"My aim is to provide a salon service to those who find it hard to get the time to

spend in a salon. Many of my existing clients are busy mums who find it a real help being able to have their hair coloured at home. Some clients even hold coffee mornings, in which they, along with friends, can have their hair done together, socialising at the same time".

Quotes from existing clients "Nina takes great care to achieve exactly what her clients envisage, together with

a professional and friendly service." Gerdi Secker, Guildford. "Nina has that special touch, giving total confidence and great results every time." Nicola, Godalming.

"Nina is a brilliant colourist, and knows which colours will look best. Since she has been doing my hair I have had lots of compliments. She's a lovely girl and I wouldn't hesitate to recommend her." Wendy Neal Smith, Farnham.
