Re-Nu has the magic touch for kitchens

ARE you tired of looking day in, day out at your kitchen but can't face the mess, trauma and expense of a total refit?

We all want value for our hard-earned money and hate waste, so why rip out your existing kitchen if the basic units are OK,

but the doors are damaged or worn or are the wrong colour?

Re-Nu Kitchens, a local family-run business, could provide the answer.

Re-Nu can completely change a worn-out kitchen by replacing the doors with new ones from

its extensive range, which are made to measure and fitted by craftsmen.

Relative to ripping out your entire kitchen, the Re-Nu method is very quick, involves an absolute minimum of mess and disruption and costs about 50% of the

cost of a totally new kitchen.

You don't even have to visit a showroom because a Re-Nu surveyor visits you with an extensive range of samples so you can see what your "new" kitchen will look like in the comfort of your own home.

In addition to doors, Re-Nu can fit new worktops, light pelmets, cornices, skirting boards, gallery units, sinks and appliances.

In fact, everything necessary to re-model and tailor your kitchen to your exact requirements.

A satisfied customer commented: "I would never have believed that by having new doors and drawer fronts my kitchen would look so much different."

For more details or a survey and quotation for your kitchen, call freephone 0800 195 8641.

Or visit www.re-nukitchens.co.uk.

Re-Nu Kitchens can give your old, tired-looking kitchen, like the one above, a brand, spanking new-look like the one in the top picture.

It's all so simple, work is completed without fuss and mess and at very competitive prices.
