MATRIX COMPUTER SERVICES

MATRIX Computer Services has for the past six years provided a High Street retail outlet and a workshop for repairs at the rear of the shop.

Now, due to changing markets, we have decided to close the shop and concentrate on workshop repairs and on-site work. Our services will remain the same as before; computer repairs, wireless and wired network setups, virus removal, upgrades and new PCs, except we will no longer have a retail outlet.

We will continue to stock popular items, such as mice, keyboards, storage and network products, and these can be purchased from the workshop.

We are still located at 263 High Street, Crowthorne, but at the rear of the building (white double doors).

We are open 9.15am to 5pm Monday to Friday, and can be contacted on (01344) 778707 or by e-mail at info@matrixcomputerservices.co.uk.

In the unlikely event of not being able to contact us, please leave a message on the answer phone and we will respond as soon as possible.
