Puttenham Golf Club is one of the oldest clubs in Surrey with 600 full playing members of all ages.

Friendly club with great food

DO you play in a golf society? Is your organiser looking for a local club with a friendly atmosphere, a great course and superb food?

Then look no further than Puttenham Golf Club.

"As an added incentive, we are not only holding our 2007 prices for all societies who make a booking for 2008 before January 31, but are also offering £10 discount per person in July or August," said a spokesman.

Puttenham is one of the oldest golf clubs in Surrey, nestling in the picturesque foothills of the Hog's Back on the B3000, only 10 minutes from the centres of Guildford, Godalming or Farnham. The gently undulating

course, with its predominantly sandy soil, is dry underfoot and drains quickly in the wettest of weather for excellent playing conditions all year round.

Societies are welcome on Tuesday afternoons, Wednesdays, Thursdays and Fridays and a variety of good value society packages for 18, 27 or 36 holes are offered.

It has also introduced two new winter warmers, only £30 per person for coffee, bacon rolls and 18 holes or £36 for full English breakfast and 18 holes.

Weekday green fee visitors are also welcome at Puttenham at a cost of only £35 for 18 holes or £50 for a day's golf, to be booked

in advance through the office.

"Puttenham is a very friendly golf club with 600 full playing members of all ages," the spokesman added.

"We have a strong junior section, reduced fees for those up to the age of 29 and a limited number of membership vacancies currently available.

"Our shop offers equipment, clothing and accessories and our two PGA professionals can give you advice and personal tuition to improve your game."

Give your kitchen a new lease of life

MOST fitted kitchens, even if looking tired, have a good basic construction. However, the doors, drawer fronts and sometimes the worktops can make a kitchen look old and outdated.

In 1986, Re-Nu pioneered the idea of renovating kitchens by making and fitting completely new doors, drawer fronts and worktops.

As the most experienced in this method in the industry, Re-Nu has enabled countless customers to enjoy a modern, stylish kitchen without the expense and upheaval of having existing units

ripped out and completely replaced. It's as simple as this; Re-Nu surveys your existing kitchen and helps you select new doors, worktops and so on from its extensive range.

Re-Nu can also supply and install any new appliances you may want built in, supply and fit matching new units, or re-arrange existing ones to improve the layout. It gives you a fixed price quotation with no hidden extras.

The installation is carried out by Re-Nu's own fitters, rather than subcontractors, and you will

be pleasantly surprised at how quickly the work is carried out – and how little mess and disruption it causes.

The company is very experienced, having made and fitted over 20,000 made to measure doors and literally miles and miles of worktops.

Choosing Re-Nu makes a great deal of sense. You save money; it's quick, clean and efficient – and your refurbished kitchen looks like a brand new one.
