### Need marketing expertise without the expense?

Whatever your business, you need to market yourself. But not every business can afford full-time marketing staff or retain expensive agencies.

The answer lies in Catch! Marketing – a Reading-based freelance marketing service that provides expert help on demand. They'll act as your external marketing department or simply help you out on a project-by-project basis. So whether you need a promotional brochure, customer data, reliable project management or a strategy to attract new business, you'll get marketing skills when you need them – without incurring large overheads when you don't.

Offering 10 years' expertise, flexibility and great value for money, Catch! Marketing can bring you closer to your goals – from more customers to a more impressive image. You can find out more at [www.catchmarketing.co.uk](http://www.catchmarketing.co.uk) or call Claire for an informal chat on 01183 751071.
