Motorcycle Dealer of the Month

Sporting dealership stands out in motorcycle industry

YEARS of knowledge and experience distinguish TriCounty Motorcycles from other dealers.

TriCounty, based at Kiln Lane, Bracknell, offers a full range of parts, clothing and motorcycle accessories, alongside a state-of-the-art servicing and repair workshop.

This sporting dealership is new to Bracknell but the owners Clive Hoy and Richard Hutchings have more than 20 years experience in the motorcycle industry.

Richard is the man you need to ask about which bike is ideal for you and what parts and accessories you will need. If your bike needs a service or repairs, Clive is your man.

TriCounty Motorcycles specialises in the sale of KTM road and off-road motorcycles.

Its showroom stocks a wide range of new KTM and secondhand bikes which come with brilliant service, excellent advice and warranties.

From July, TriCounty Motorcycles will stock the new 08 off-road model of KTM.

The firm is fully equipped and can supply parts for, as well as repair and service, all makes and models, including Honda, Suzuki and Yamaha.

A line-up of bikes on offer at TriCounty Motorcycles.

One of TriCounty's services involves supplying, fitting and setting up the highest quality components for any type of sports motorcycle, as well as offering engine tuning.

A custom paintwork service is also on offer.

This new KTM dealership can supply a wide range of parts and accessories for racers, including slipper clutches, braking and suspension components, sprocket and amp, gearing adjustments, bodywork, crash bungs and frame sliders, racing tyres and paddock stands.

On and off-road tyres supplied and fitted include Pirelli, Metzeler, Maxis and Bridgestone.

For more information call Clive or Richard on 01344 424282, or visit the showroom at Unit 5, Brickfields, Kiln Lane, Bracknell.
