■ THE GREAT HOUSE

LOCATED on the riverbank in the picturesque conservation village of Sonning-on-Thames, The Great House is the perfect choice for your wedding celebrations.

The oldest part of the four acre estate was formerly the White Hart hotel, dating back to Elizabethan times. Today it houses 59 bedrooms in six separate areas dating from the 16th to 21st Century and three function suites catering for between 20 and 120 guests.

Both the Ferryman's Suite and Regatta boast their

own private terraces overlooking the gardens which make the ideal setting for photographs.

Our head chef and his brigade have an exceptionally wide range of dishes to choose from and we are delighted to theme or design an individual menu especially for you.

Our experienced and friendly staff will welcome and guide you through your special day so you can relax. For a copy of our current brochure, please contact our wedding co-ordinator on (0118) 969 2277 or email: greathouse@btconnect.com.
