Great products at The Fascia Place

THE range of products available in PVC and PVCu from The Fascia Place is quite amazing.

Most people believe windows and doors are only available in white, but with modern manufacturing processes there are a multitude of colours that make preparation and repainting a thing of the past.

The company can also supply fencing, cladding, verandas and balconies with laminate flooring.

Welcome to the neat, clean world of Swish PVC boards where dirt, grime and rot are banished.

More and more people are becoming aware of how good a house looks when it has been given the full roofline treatment.

It's all about the icing on the cake; that really crisp, finished look to complement your windows and doors. Your home is under constant attack from the elements and there is nowhere more difficult to get at with a paint brush, or more prone to damage from the elements, than the boarding around the edge of your roof.

Swish cellular PVC will solve this problem. Swish Roofline boards will never need painting and will not rot, maintaining their good looks for years. The Fascia Place offers the latest in security combined with style. Sekura is a whole new generation of windows and doors.

Sekura windows are designed to accept the latest shoot bolt locking systems and security hinges on all opening

vents to ensure the ultimate in window security thus guarding against attempted forced entry.

Windows are internally beaded ensuring that glazing units cannot be removed from the outside.

The internal beads have a "scotia" effect which gives the window classic internal lines and, when coupled with the elegant external chamfers, combine to offer a positive secure yet truly attractive window.

The Fascia Place now supplies all you need to complete a lean-to roof in a pack. All you need to do is supply the firm with the dimensions required and it will do the rest.

The head office is at Camberley at 26 Doman Road, York Town Industrial Estate. Tel: 01276 65498.

The Guildford branch is at Unit D, Woodbridge Park Estate, Woodbridge Road. Tel: 01483 301666.

All products and work are guaranteed for 10 years.
